Tracy Aviary offers a limited number of need-based camp scholarships. The camp scholarship covers camp registration fees, excluding before and after care and extra shirts. Eligible campers may receive full or partial scholarships, dependent upon demand and available funds.

In order to apply, please complete the information below and submit this information form along with:

1. A letter from the camper’s school identifying their participation in the National School Lunch Program or a letter from the camper’s teacher explaining how the camper will benefit from attending our programs
2. A one page letter completed by the parent or guardian explaining the reason for the camper’s need and how the camper will benefit from attending our programs
3. A letter or a drawing completed by the camper explaining why they would like to come to Tracy Aviary’s camps

This information can be submitted via e-mail to MarinaA@tracyaviary.org or dropped off with Guest Services staff at Tracy Aviary’s front desk.

Applicants will be informed whether they have received a scholarship within two weeks of the application deadline. After receipt of scholarship, applicants will receive an email with instructions on how to complete registration. Scholarship recipients will have two weeks to complete registration. Failure to meet that deadline voids the scholarship and regular registration fees apply.

Incomplete applications will not be considered.
